

Bad Cop Bad Cop Show Notes

August 17th, 2016 #48

- 1) Stuff about the wedding.
- 2) The Comedy of Errors at the hotel this past weekend with forgetting stuff and leaving stuff in the car and leaving stuff in the room. Dave really does not like to be social Dave has come to the realization that he is better off alone. The ridiculous hunt for a place to just sit down and drink at a casino was ludicrous.
- 3) J-Defend one's self with titty milk!! Big thanks to @Gunnychief for the story.

- 4) Dave and Jerry have a planet named after them. Jerry calls Dave to tell him about it, Dave immediately pisses on it.
- 5) Jenna Haas may be the worst key keeper I've ever encountered. (It's a week late, her taking Dave's keys to the shore)
- 6) New segment : Pearls of Wisdom. When a girl is blowing you, and stops to get something off of your tongue, it should be to get a pube , not a piece of TP.
- 7) Police sketch artist sucks.
- 8) Why don't hotel bathrooms have fans in them? If EVER a terlet needed a fan, it's the hotel room terlet.
- 9) Dear Jerry
- 10) Al Sharpton can't speak without fumbling words. Why the fuck does he have a TV show? (video)
